

Juwon Park

Ph.D course

Email: juwondi@gmail.com

EDUCATION

- Ph.D., Candidate: Department of chemical & Biomolecular Engineering, Yonsei University, 2020-Present
- M.S., Department of Energy Engineering, Hanyang University, 2011-2013
- B.S., Department of chemical Engineering, Hanyang University, 2004-2011

CAREER

- Associated Manager, Cathode material synthesis and analysis, LGCHEM, 2013-2016

Research Interest

Lithium ion batteries cathode material

High Nickel cathode

Research Topic

High Nickel cathode
